MEMBER LEARNING AND DEVELOPMENT QUESTIONNAIRE

1. <u>Introduction</u>

This questionnaire is designed to help you to identify the knowledge, support and skills you may need to fulfil your role as a Pensions Authority Member.

The role of a Pensions Authority Member differs from other roles you may carry out as a local councillor. Members act as Trustees with an overriding responsibility to act in the best interests of the beneficiaries, even if this is sometimes at odds with their political roles and responsibilities.

Furthermore, pension fund management is complex and, whilst Members are not expected to be professional experts in investment matters, a certain amount of technical knowledge and understanding is required to enable you to make informed judgements and decisions.

2. <u>Completing the Questionnaire</u>

There are several ways you can complete this questionnaire:

- Filling in a printed copy and sending it back to the Joint Authorities Governance Unit, BMBC (details below).
- By email we will send you a copy of the form to fill in and return by email see contact details below.
- Face-to-face with an officer from the Joint Authorities Governance Unit, BMBC at a date / time / location to suit you.
- Via telephone.

The process should take no longer than 30-45 minutes.

Please try and be as honest as you can in your assessment / discussion. Even if you are an experienced Member of the Pensions Authority, you may still find there are some areas you may wish to learn more about, or would benefit from additional development or support.

3. <u>What happens next</u>?

All completed Development Discussion questionnaires will be read and analysed to produce a comprehensive Learning and Development Schedule for the municipal year. This will consist of joint and individual learning and development either specific to the Pensions Authority, or more generic learning with other Joint Authorities or South Yorkshire Districts.

Members can also request learning and development at any time throughout the year – which will be assessed against the criteria in the Learning and Development Strategy to ensure fairness and value-for-money.

Additionally, there will be the externally-provided Fundamentals Training, which is the bespoke Local Government Pension Scheme (LGPS) training held over three days (not necessarily consecutive) and aimed specifically at Pensions Authority Members.

N.B. All new Members are expected to complete the 3 day training as a minimum requirement and any existing Members who have not yet completed the 3 day course.

For Members who would like a refresh of the Fundamentals training, a one day overview of the three days is included in the draft learning and development strategy – date to be confirmed.
