Effective and Transparent Governance

To uphold effective governance showing prudence and propriety at all times.

- 3.2 The reporting of audit findings and management actions being taken to address these is a key part of providing assurance on the adequacy of the Authority's corporate governance arrangements, particularly those relating to internal control and financial and risk management.

4. Implications for the Corporate Risk Register

- 4.1 The contents of this report do not link to a specific risk in the corporate risk register; instead, they set out the actions being taken in a number of areas that will contribute to addressing various risks in relation to operations and governance as detailed in the original audit reports.

5. **Background and Options**

- 5.1 The Authority's Local Code of Corporate Governance sets out the framework in which the Authority complies with the seven principles of good governance; one of which is "*managing risks and performance through robust internal control and strong public financial management*". One aspect of achieving this is having arrangements for assurance and effective accountability in place and ensuring that findings arising from the work of both external audit and internal audit are acted upon.
- 5.2 The Audit & Governance Committee receives reports of the external auditor and of the Head of Internal Audit at regular intervals throughout the financial year. The report attached at Appendix A summarises the actions taken, and progress being made on implementing the actions agreed in response to audit findings.
- 5.3 Two actions have been completed since the previous report in July – these are detailed in Appendix A.
- 5.4 There are no outstanding actions past their due date for implementation as at September 2024. There are three agreed management actions not yet due – target implementation dates are 31 December 2024 and an update on these will be provided in the next report.
- 5.5 The progress of implementing agreed management actions will continue to be reported to the Audit & Governance Committee at regular intervals.
