1. Introduction

- 1.1 South Yorkshire Pensions Authority is responsible for the stewardship of the pensions savings of a large number of individuals. These funds have largely been derived from the public purse and consequently the Authority aims to operate with the highest standards of probity in relation to these funds.
- 1.2 The Authority is committed to protecting the funds it administers and consequently will not tolerate any form of abuse. The Authority is determined to pursue, deter, and detect all forms of fraud, bribery and corruption committed against it, whether that be internally or from outside the organisation.
- 1.3 The Authority is determined that the culture and tone of the organisation should be one of honesty and rigorous opposition to fraud, bribery, and corruption. Thus, the Authority is committed to ensuring all its business is conducted in an open, honest, equitable and fair manner and that it is accountable to all stakeholders (scheme members and scheme employers).
- 1.4 The Authority will not tolerate fraud, bribery, or corruption committed or attempted by its members, employees, suppliers, contractors, scheme employers or scheme members and will take all necessary steps to investigate allegations of fraud, bribery or corruption and pursue the sanctions available in each case, in particular the recovery of the Authority's assets or funds.

1.5 Definitions

- **Fraud** - any irregularity or illegal act characterised by intentional deception with the intent to make a personal gain, or to cause loss, or to expose another to the risk of loss.

The term fraud is used to describe many acts such as deception, bribery, forgery, extortion, corruption, theft, conspiracy, embezzlement, misappropriation, false representation, the concealment of material facts and collusion.

- **Bribery** - an inducement or reward offered, promised, or provided to gain personal, commercial, regulatory or contractual advantage. Bribery may take the form of:
 - Active bribery: Promising or giving a financial or other advantage.
 - Passive bribery: Agreeing to receive or accepting a financial or other advantage.
- **Corruption** - Dishonest or fraudulent conduct by those in power, typically involving bribery. It has also been described as dishonesty and illegal behaviour by people in positions of authority or power.

Corruption is the deliberate misuse of your position for direct or indirect personal gain. It includes offering, giving, requesting or accepting a bribe or reward, which influences your actions or the actions of someone else.

All are criminal offences under various pieces of legislation.
